Erika Hartman
Suncoast Chemicals Company
6385 150th Avenue North
Clearwater, FL 33760

Subject: PRIA CSF Amendment – *Adding new Alternate Formulation*
Product Name: Super Green Algaecide
EPA Registration Number: 46043-26
Application Date: 09/13/2019
Decision Number: 555439

Dear Ms. Hartman:

The amended label and CSF(s) referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, are acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Please note that the record for this product currently contains the following CSF(s):

- Basic CSF dated 03/22/2018
- Alternate CSF 1 dated 09/13/2019

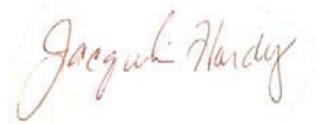

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process.

Page 2 of 2
EPA Reg. No. 46043-26
Decision No. 555439

Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. If you have any questions, please contact Stacey Grigsby by phone at 703.305.6440, or via email at grigsby.stacey@epa.gov.

Sincerely,

A handwritten signature in cursive script, reading "Jacqueline Hardy", written in brown ink on a light-colored background.

Jacqueline Hardy, Product Manager 34
Regulatory Management Branch 2
Antimicrobials Division (7510P)

SUPER GREEN ALGAECIDE

For Swimming Pools

ACTIVE INGREDIENT:

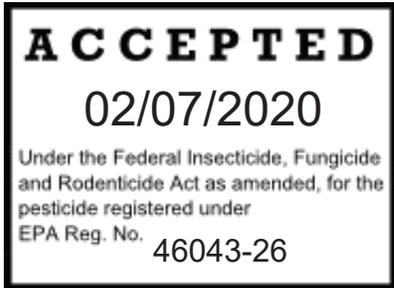

Copper Ethanolamine Complex, Mixed.....23.09%
(Mono CAS #: 14215-52-2 & Tri CAS #: 82027-59-6)*

INERT INGREDIENTS:.....76.91%

TOTAL: 100.0%

*Metallic Copper Equivalent – 7.41%.

This product contains 0.72 lbs. of elemental copper per gallon.

**KEEP OUT OF THE REACH OF CHILDREN
CAUTION**
See other precautions and first aid on [back] [side] panel.

Net Contents: _____

CHEMICAL HAZARDS

Do not mix this algaecide with soap or other cleaners. Do not premix with other water treating chemicals. These chemicals must be handled separately.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Dilute appropriate amount of product with at least nine parts water and pour directly into pool along the edges while the filter and pump are in operation. To allow time for even distribution on pool water, bathers must allow 10 minutes after treatment before entering pool.

INITIAL APPLICATION: (Free of Visible Algae/Start of Season): Apply 2 oz. of this product per 5,000 gallons of pool water (or equivalent) under sunny conditions for most effective results. Do not exceed the label dosing recommendations.

If Algae Growth is Visible: Apply initial dose, then vacuum pool after 24 hours to remove dead algae. If pool is heavy with algae growth, first brush algae spots, vacuum, clean and scrub the pool walls. Apply initial dose, then vacuum remaining algae debris.

MAINTENANCE DOSE: Apply 1 oz. of product per 5,000 gallons of pool water (or equivalent) every 5 to 7 days. Note: After heavy or prolonged rainfall, high prevailing temperatures, or heavy swimming use, add the maintenance dose more frequently. Do not exceed the label dosing recommendations.

Before draining a treated [pool], [spa], [hot tub], [or] [fountain], contact your local sanitary sewer and storm drain authorities and follow their discharge instructions. Do not discharge treated [pool] [or] [spa] water to any location that flows to a gutter or storm drain or natural water body unless discharge is allowed by state and local authorities.

Do not apply this product in a way that will contact adults, children, or pets either directly or through drift.

PRECAUTIONARY STATEMENTS

CAUTION: Harmful if swallowed or absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before use.

FIRST AID	
IF IN EYES:	Hold eyelids open and rinse slowly with water for 15 to 20 minutes. Remove contact lenses if present after 5 minutes then continue rinsing eye. Call poison control center or doctor for treatment advice.
IF ON SKIN OR CLOTHING:	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
IF SWALLOWED:	Call a poison control center immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or a doctor. Do not give anything by mouth to an unconscious person.
IF INHALED:	Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.
<u>HOTLINE NUMBER:</u>	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. In case of emergency, call 1-800-255-3924. {or} [Have the product container or label with you when calling a poison control center (1-800-222-1222), or doctor or going for treatment.]	
<u>NOTE TO PHYSICIAN</u>	
Probable mucosal damage may contraindicate the use of gastric lavage.	

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish.

STORAGE AND DISPOSAL

{Nonrefillable Household/ Residential}

Do not contaminate water, food, or feed by storage or disposal. Store in original container in cool, dry place. Nonrefillable container. Do not reuse or refill this container. Wrap and put in trash or offer for recycling, if available.

{Nonrefillable Non-Household/Residential}

Do not contaminate water, food, or feed by storage or disposal.

Pesticide Storage: Store in original container in a locked storage area inaccessible to children and persons unfamiliar with its use.

Pesticide Disposal: Pesticide Wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container Handling: Nonrefillable container. Do not reuse or refill this container. Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill, or incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

{optional chart}

HOW TO CALCULATE [POOL] [SPA] [HOT TUB] CAPACITY IN U.S. GALLONS	
POOL SHAPE	FORMULA (Dimensions in feet)
Rectangular	$L \times W \times AD \times 7.5 = \text{total gallons}$
Round	$Di \times Di \times AD \times 5.9 = \text{total gallons}$
Oval	Maximum L x maximum W x AD x 5.9 = total gallons
Freeform	Surface area (sq. feet) x AD x 7.5 = total gallons

L = Length, W = Width, AD = Average Depth, Di = Diameter
